Section

## 2025 NYS Energy Conservation Code Changes

### Lighting Controls and How to Provide Performance and Energy Savings in Design

#### Lecture

**Thursday, May 14, 2026**

**5:30P.M. Social Hour**

**6:30P.M. Presentation**

**7:30P.M. Networking**

**Speaker: Michael Boynton**

*Michael entered the lighting industry in 2006 through early LED technology and later joined Acuity Brands® in 2013 to support eldoLED® drivers, controls, and components. Today, he is the Senior Director of Sales for Controls & Electronics, leading teams that support electrical distribution and the lighting specification community.*
